

Lauren "Fitzy" Fitzgerald Oct 31, 1984 - Jul 18, 2005

Lauren Fitzgerald grew up in Berks County, PA, attended Wyomissing Schools and began studying interior design at Drexel University. In May, 2004, Lauren was diagnosed with a primary brain tumor. She underwent 2 surgeries, chemotherapy and other treatments before passing away at age 20.

Throughout her fight, Lauren maintained her love of life and her dignity. She chose to live by a favorite quote from poet Maya Angelou, "I can be changed by what happens to me. I refuse to be reduced by it".

Five people received the gift of life because Lauren chose to donate her organs - her heart, lungs, liver and kidneys were used to serve those in need. Her legacy, love and generosity will live forever.

In memory of Lauren, a Foundation was created to preserve her legacy and desire to help others in need. We accomplish this by using funds raised from this event to support our Sunflower Fund, Memorial Scholarships and Brain Tumor Research.

OUR MISSION

Support families caring for children with a serious illness by providing financial assistance.

Provide scholarships to students experiencing adverse life circumstances.

Promote brain tumor research with an annual donation to the American Brain Tumor Association (ABTA).

Raise awareness of brain tumors and how they affect individuals and families.

This year's Fitzy's 5K is dedicated to the memory of Deb Hierl, who defied the odds with her personal brain tumor battle and in the process taught us all how to live with courage, grace, and determination.
